

Don't Miss A **Golden** Opportunity

Native grain off the combine represents the best value feed this winter, for all categories of livestock.

Keenan in conjunction with the Ward family, will hold an open day and machine demonstration covering all aspects of grain treatment and a discussion on the best practices for Winter Feeding 2011.

Venue: Phil & Michael Ward's Farm, Drumlane, Tullynahinera, Castleblaney, Monaghan.

Date: Monday 22nd August.

Time: 2pm - 5pm

Signposted from Castleblaney & Tullynahinera.
Light Refreshments Available.
